Growth Drivers - India Outbound

India continues to be a source market for many countries. By **2024**, the Indian Outbound Tourism Market is expected to surpass **US\$ 42 Billion**.

Air connectivity from India has improved and increased significantly, resulting in more travel.

According to latest research, first-time Indian visitors prefer to visit Asian countries like Singapore, Malaysia, Indonesia, and Thailand, etc., due to affordable budgets as well as their proximity to India.

In the case of long-haul travel, Indians prefer going to the United States (U.S), Australia, Europe, New Zealand etc.

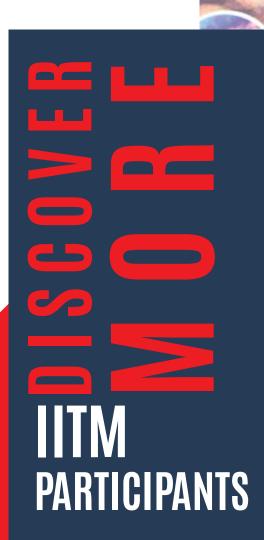

The United States is the prime destination for Indian outbound travelers in the world. More than one-third of the total worldwide expenditure by Indian tourist is spent in the United States alone.

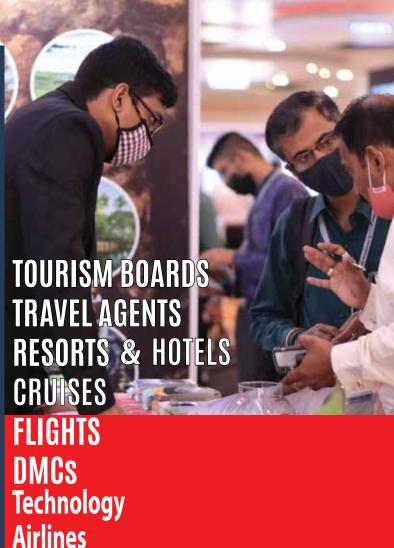

India's outbound MICE tourism market is expected to reach **US\$ 9 Billion by 2025**, and in 2022 India is expected to generate more than **2 Million** outbound MICE tourists

Add Domestic Tourism to your Marketing Porfolio

Domestic Tourism has been the lifeline for the Indian Tourism Sector. Growing disposable income, increase in new millennial tourists, new travel destinations, as well as new themes of tourism, will further propel the growth. According to the FICCI-Yes Bank report, India Inbound Tourism: Unlocking the Opportunities, systematic growth, maintenance and sustainable development of tourism destinations and focus on promoting emerging avenues of tourism will be essential towards unlocking its true potential. At present, India is the 8th largest country in terms of contribution to travel and tourism GDP and the largest market in South Asia. Segments such as Pilgrimages, leisure, adventure and self-drive holidays still sets strong benchmarks. Improved Rail accessibility and last-mile connectivity to tourism destinations have opened up domestic tourism like never before.
